

STUDY TRIP | JUNE 2026

SHANGHAI CHINA

www.dcobys.com

PROPAK CHINA

It is China's leading trade fair specializing in processing and packaging technologies, bringing together manufacturers, industrial solution providers, and technology leaders from the food, beverage, dairy, cosmetics, and pharmaceutical sectors. The academic mission offers participants a comprehensive overview of global trends in automation, production efficiency, safety, sustainability, and advanced packaging in Asia's main industrial hub.
